Good evening parents and guardians!

Pre-Cam Community School had been undergoing renovations since August 2020. Currently, the cabling for our network interface is getting replaced and the contractors need five straight days of uninterrupted time to complete their work. It has been decided that we move to level 4, remote learning for two days on April 28<sup>th</sup> and 29<sup>th</sup> (April 30<sup>th</sup> is a vacation day). This will allow the contractors to work from April 28 - May 2. School will be back to in-person instruction on Monday, May 3<sup>rd</sup>.

For the two days of remote learning, classroom teachers will be sending work packages home. Staff will be available to answer any questions throughout the two days.

We thank you for your understanding and apologize for any inconvenience this may cause. If you have questions, please call me at the school.

Sincerely,
