1. Program report & feedback	<p>Programs/Events - We had a total of 14 programs/events that ran in the month of April.</p> <p>Engagement - Engaged 11 elders; 210 adults; 4 Gr. 7-12 students; 8471 Gr. 1-6 students; 365 pre-school</p> <p>Total # of people engaged - We engaged a total of 9061 students, adults and elders.</p> <p>Attendance - Congratulations to our perfect and excellent attenders. School attendance in March was N/A</p> <p>Highlights were:</p> <ol style="list-style-type: none"> Family/Community Nights - Family science night was pretty well attended. Most everyone enjoyed the evening. School Library Fair for the community was a good success. We received lots of sponsorships from SCC and community so that students who couldn't participate were able to buy books. It has become a great initiative. Extracurricular program - spring extracurricular activities are starting up. Lots of different activities for students to register for and participate. Volunteer staff and community members continue to step up and help lead activities. The school has moved to individual activity forms. No feedback yet from staff and parents on new way of doing. Class opportunities - April was jam packed with school activities for classes and students. Our student citizenship assembly is now in person after a number of years as virtual. Great to get the whole school together. School library fair is always a hit, Marc Tardiff magician performance and workshops as well as science presentations by Scott Bell were a highlight. Heart & Stroke Jump event had great weather and lots of fun was had by all the staff and students. 										
3. Grants & Fundraising	<p>Finances - had a budget meeting with admin and school assistant. Most of the CS budget is accounted for, working in Elders budget</p> <p>Grants - nothing new to report</p> <p>Fundraising - Heart & Stroke donations are down since going online. A&W lunch fundraiser was a hit.</p>										
2. Communication/Event Calendar	<p>Families/Community - send Pre-Cam weekly updates that includes digital newsletter. We have 451 parent emails</p> <p>Community - We help promote community events & programs and reach out to community to partner with our school</p> <p>Staff - Send out weekly program update to staff with program and event information and class opportunities</p> <p>Calendar - April event calendar is attached. Highlighted main May event calendar dates.</p>
